## Group Glitch

Christopher Paris

Search groups...

+ Follow Christopher

the group settings configured to allow everyone to post freely, except for any profile that has been on LinkedIn for less than 3 days (to stop spam.) Still I see everything being moderated.

I manually went in and changed everyone to "approved to post" - let's see what that does.

Otherwise, I have no idea how to fix that. So if posts appear later, that's why.
